THE SPACE

Club 360 is an exciting new multi-purpose events & hire venue situated in the heart of Tottenham Hale.

Based within a transformed 1960's industrial warehouse, the space boasts a raw concrete aesthetic; striking industrial columns; two separate rooms (both equipped with fully licenced bars); pre-installed trusswork and lighting infrastructure, 4-point Funktion One soundsystem, green room, production desk, loading bay facilities & large outdoor courtyard (covered & heated in winter months).

This ground floor blank canvas space has been designed with adaptability at it's core and bookings can discuss any bespoke requirements with our onsite management team.
